

KIRKHILL LAWN TENNIS CLUB

Kirkhill Lawn
Tennis Club

Welcome to the club. Here is some guidance to make your introduction to the club a little easier!! We are all pretty friendly so please introduce yourself to fellow players when at the club.

IN ORDER TO ENHANCE YOUR EXPERIENCE THERE ARE SOME THINGS YOU SHOULD KNOW ABOUT US AND HERE IS A LITTLE BIT OF INFORMATION TO HELP ENHANCE YOUR VISIT. IF THERE IS SOMETHING YOU WOULD LIKE TO KNOW WHICH IS NOT HERE OR ON OUR WEBSITE PLEASE CONTACT US BY [CLICKING HERE](#)

Top Tips for a great experience of tennis at Kirkhill LTC

Remember to book!

Sign up to coaching

Court etiquette!

What are the benefits?

Booking a Court

Booking a court is easy to do and ensures that when you get to the club you will have a court to play on, even when it is busy. Although league, tournament matches and coaching get priority booking on some of the courts there is usually always at least 1 court available to book. Booking is free to members and £5 to non-members.

Follow the link on www.clubspark.lta.org.uk/KirkhillLTC/booking. When your court is booked you will receive a confirmation e-mail which you can use to confirm your booking at the whilst at the club.

Coaching Programme

If you would like some tuition, some fine tuning of your game or just like to meet some like-minded players who are at the same stage as you then our coaching programme is for you. We have junior and adult coaching available.

Full details are available on our website www.kirkhilltennis.webs.com

We are the only club in South Lanarkshire with a Level 5 coach and his coaching is very popular for one-to-one lessons throughout the week. Coaching is also available Monday to Friday with one of our 3 coaches in a group setting.

What to do before, during and after your game!

Book your court on clubspark and arrive a couple of minutes before your booked time slot. Bring a drink, your racquet, balls and tennis shoes are recommended (certainly trainers of some description essential to play on the courts). Dress appropriately for the weather and use sunscreen if the weather is good. No football colours please but comfortable active wear recommended. Enjoy your game and keep your language sweet please.

Best to finish 5 mins early on your booked court and you will need to brush the surface for the next players please. This is done by dragging the big brush (found at the back of the courts) loosely behind you and walking across the court zig-zagging up until all the court is covered. This replaces and evens out the surface for the next game.

What benefits are there to becoming a full member?

Tennis is a great sport for improving your fitness at any age.

Becoming a member at Kirkhill LTC will bring with it many advantages as well as a health and social improvement element. Benefits include access to free online booking, tournaments, team and league tennis, high level coaching, social events, club championship, Lawn Tennis Association membership and so much more....come on join us!!
